XPO Benefit Plan

This is a summary of the annual report of the XPO Benefit Plan (Employer Identification Number 94-1444798, Plan Number 520), for the plan year 01/01/2022 through 12/31/2022. The total premiums paid for the plan year ending 12/31/2022 were \$18,618,104.

Because they are so called "experience-rated" contracts, the premium costs are affected by, among other things, the number and size of claims. Of the total insurance premiums paid for the plan year ending 12/31/2022, the premiums paid under such "experience-rated" contracts were \$3,098,350 and the total of all benefit claims paid under these experience-rated contracts during the plan year was \$2,703,857.

Medicare Part D Creditable Coverage Notice

Important Notice from XPO Inc.

About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage offered by XPO Inc. and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. XPO Inc. has determined that the prescription drug coverage offered by the XPO Medical Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable

Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan while enrolled in XPO Inc. coverage as an active employee, please note that your XPO Inc. coverage will be the primary payer for your prescription drug benefits and Medicare will pay secondary. As a result, the value of your Medicare prescription drug benefits may be significantly reduced. Medicare will usually pay primary for your prescription drug benefits if you participate in XPO Inc. coverage as a former employee.

You may also choose to drop your XPO Inc. coverage. If you do decide to join a Medicare drug plan and drop your current XPO Inc. coverage, be aware that you and your dependents may not be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with XPO Inc. and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the **XPO Benefit Center** at **855-376-7276**. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through XPO Inc. changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

We may use or disclose your protected health information to facilitate medical treatment or services by providers. We may disclose medical information about you to providers, including doctors, nurses, technicians, medical students, or other hospital personnel who are involved in taking care of you. For example, we might disclose information about your prior prescriptions to a pharmacist to determine if a pending prescription is inappropriate or dangerous for you to use.

For Payment

We may use or disclose your protected health information to determine your eligibility for Plan benefits, to facilitate payment for the treatment and services you receive from health care providers, to determine benefit responsibility under the Plan, or to coordinate Plan coverage. We may contract with individuals or entities known as Business Associates to perform various functions on our behalf or to provide certain types of services. In order to perform these functions or to provide these services, Business Associates will receive, create, maintain, use and/or disclose your protected health information, but only after they agree in writing with us to implement appropriate safeguards regarding your protected health information. For example, we may disclose your protected health information to a Business Associate to administer claims or to provide support services, such as utilization management, pharmacy benefit management or subrogation, but only after the Business Associate enters into a Business Associate Agreement with us.

As Required by Law

We will disclose your protected health information when required to do so by federal, state or local law. For example, we may disclose your protected health information when required by national security laws or public health disclosure laws.

To Avert a Serious Threat to Health or Safety

We may use and disclose your protected health information when necessary to prevent a serious threat to your health and safety, or the health and safety of the public or another person. Any disclosure, however, would only be to someone able to help prevent the threat. For example, we may disclose your protected health information in a proceeding regarding the licensure of a physician.

To Plan Sponsors

For the purpose of administering the Plan, we may disclose to certain employees of the Employer protected health information. However, those employees will only use or disclose that information as necessary to perform Plan administration functions or as otherwise required by HIPAA, unless you have authorized further disclosures. Your protected health information cannot be used for employment purposes without your specific authorization.

Special Situations

In addition to the above, the following categories describe other possible ways that we may use and disclose your protected health information. When you request, we are required to disclose to you the portion of your protected health information that contains medical records, billing records, and any other records used to make decisions regarding your health care benefits. We are also required, when requested, to provide you with an accounting of most disclosures of your protected health information if the disclosure was for reasons other than for payment, treatment, or health care operations, and if the protected health information was not disclosed pursuant to your individual authorization.

We will disclose your protected health information to individuals authorized by you, or to an individual designated as your personal representative, attorney-in-fact, etc., so long as you provide us with a written notice/authorization and any supporting documents (i.e., power of attorney). Note: Under the HIPAA privacy rule, we do not have to disclose information to a personal representative if we have a reasonable belief that:

1. you have been, or may be, subjected to domestic violence, abuse or neglect by such person;
2. treating such person as your personal representative could endanger you; or
3. in the exercise or professional judgment, it is not in your best interest to treat the person as your personal representative.

Spouses and Other Family Members

With only limited exceptions, we will send all mail to the employee. This includes mail relating to the employee's spouse and other family members who are covered under the Plan, and includes mail with information on the use of Plan benefits by the employee's spouse and other family members and information on the denial of any Plan benefits to the employee's spouse and other family members. If a person covered under the Plan has requested Restrictions or Confidential Communications (see below under "Your Rights"), and if we have agreed to the request, we will send mail as provided by the request for Restrictions or Confidential Communications.

Other uses or disclosures of your protected health information not described above, including the use and disclosure of psychotherapy notes and the use or disclosure of protected health information for fundraising or marketing purposes, will not be made without your written authorization. You may revoke written authorization at any time, so long as your revocation is in writing. Once we receive your written revocation, it will only be effective for future uses and disclosures. It will not be effective for any information that may have been used or disclosed in reliance upon the written authorization and prior to receiving your written revocation. You may elect to opt out of receiving fundraising communications from us at any time.

Your Rights

You have the following rights with respect to your protected health information:

Right to Inspect and Copy

You have the right to inspect and copy certain protected health information that may be used to make decisions about your health care benefits. To inspect and copy your protected health information, submit your request in writing to the Privacy Officer at the address provided above under Contact Information. If you request a copy of the information, we may charge a reasonable fee for the costs of copying, mailing, or other supplies associated with your request. If you are denied access to your medical information, you may have a right to request that the denial be reviewed and you will be provided with details on how to do so.

Right to Amend

If you feel that the protected health information we have about you is incorrect or incomplete, you may ask us to amend the information. You have the right to request an amendment for as long as the information is kept by or for the Plan. To request an amendment, your request must be made in writing and submitted to the Privacy Officer at the address provided above under Contact Information. In addition, you must provide a reason that supports your request. We may deny your request for an amendment if it is not in writing or does not include a reason to support the request. Right to an Accounting of Disclosures

You have the right to request an “accounting” of certain disclosures of your protected health information. The accounting will not include (1) disclosures for purposes of treatment, payment, or health care operations; (2) disclosures made to you; (3) disclosures made pursuant to your authorization; (4) disclosures made to friends or family in your presence or because of an emergency; (5) disclosures for national security purposes; and (6) disclosures incidental to otherwise permissible disclosures.

To request this list or accounting of disclosures, you must submit your request in writing to the Privacy Officer at the address provided above under Contact Information. Your request must state a time period of no longer than six years (three years for electronic health records) or the period ABC Company has been subject to the HIPAA Privacy rules, if shorter.

Your request should indicate in what form you want the list (for example, paper or electronic). We will attempt to provide the accounting in the format you requested or in another mutually agreeable format if the requested format is not reasonably feasible. The first list you request within a 12-month period will be provided free of charge. For additional lists, we may charge you for the costs of providing the list. We will notify you of the cost involved and you may choose to withdraw or modify your request at that time before any costs are incurred.

Right to Request Restrictions

You have the right to request a restriction or limitation on your protected health information that we use or disclose for treatment, payment, or health care operations. You also have the right to request a limit on your protected health information that we disclose to someone who is involved in your care or the payment for your care, such as a family member or friend. For example, you could ask that we not use or disclose information about a surgery that you had.

We are not required to agree to your request. However, if we do agree to the request, we will honor the restriction until you revoke it or we notify you. To request restrictions, you must make your request in writing to the Privacy Officer at the address provided above under Contact Information. Newborns’ and Mothers’ Health Protection Act (NMHPA) Notice

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following vaginal delivery, or less than 96 hours following a cesarean section.

However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

ADA Wellness Program Notice

NOTICE REGARDING WELLNESS PROGRAM

The Tobacco Cessation Program (Anthem Tobacco Free Program) is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others.

If you choose to participate in the Anthem Tobacco Free program, you will complete five visits with a health coach who specializes in helping people quit the use of all forms of tobacco. You will receive behavior modification coaching and, if needed, your health coach will order Nicotine Replacement Therapy (patches or gum), which can be mailed directly to your home at no charge to you. Should you need a prescription as part of your treatment, an optional visit with a medical doctor will also be made available to you and you will have access to additional resources relating to the dangers of smoking, nicotine dependence, triggers and preparing to quit. Health coaches are available by appointment seven days a week in all 50 states.

You are not required to participate in the Anthem Tobacco Free program. However, employees who participate and complete the program will have their tobacco surcharge in the amount of \$100 per month waived for the current year only. Although the Anthem Tobacco Free program is not mandated for all employees who use tobacco, only those who do so will have their tobacco surcharge waived.

Protections from Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and XPO Inc. may use aggregate information it collects to design a program based on identified health risks in the workplace, The Tobacco Cessation program will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information are the quit coaches in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact the **XPO Benefit Center** at **855-376-7276**.

Health Care Reform Update

The Affordable Care Act (or ACA) continues to impact health insurance plans for employers like XPO. For the company, it means we continue to comply with all applicable health plan coverage and administration requirements and pay all applicable taxes and fees as required by the ACA.

For individuals, since 2019 there is no longer an ACA tax penalty for those who do not maintain health insurance coverage. However, individuals still have the ability to purchase coverage through the ACA Health Insurance Marketplace (www.healthcare.gov) and premium subsidies for that coverage remain available to qualifying individuals.

As a reminder, XPO pays the majority of the cost for the health care coverage we offer to eligible employees. It's also important to note that, because you are eligible for coverage through XPO Logistic, Inc., you may not qualify for premium subsidies if you choose to purchase a plan through the Marketplace. We encourage you to evaluate all your coverage options and compare their costs to make the best choice for you and your family.

Summary of Benefits and Coverage

The Patient Protection and Affordable Care Act (PPACA or ACA) requires health plans to provide consumers with information about health plan benefits and coverage in a simple and consistent format called a Summary of Benefits and Coverage (SBC). The purpose of the SBC is to help consumers better understand the coverage they have and allow them to easily compare different coverage options. It summarizes key features of the plan, cost-sharing provisions, and coverage limitations and also provides coverage examples. A Uniform Glossary explaining the most common terms used in health insurance is also available.

SBCs are available under "Your Benefits" on myXPO, on www.XPO.bswift.com, or you may request a paper copy by contacting the **XPO Benefit Center** at **855-376-7276**.

Social Security Number Verification Notice

The federal Affordable Care Act (ACA) requires you to have health coverage, also known as Minimum Essential Coverage. The ACA also requires all plan sponsors, including XPO, to report certain information about your coverage so that you can show proof of coverage when you file your annual federal tax return with the Internal Revenue Service (IRS).

You are responsible for ensuring the accuracy of the Social Security Numbers you provide to XPO. You can verify this information by contacting the **XPO Benefit Center** at **855-376-7276**.
